Dear Doris,

On behalf of everyone at Blue Lake Fine Arts Camp and our International Exchange Program, we want to congratulate you and the Kaiser-Karl-Schule Itzehoe on its 150th Anniversary!

What a history and legacy, especially all your marvelous hard work with the Theater Program.

We have enjoyed and benefited from the strong relationship between Blue Lake Fine Arts Camp and you, the city of Itzehoe, and the Kaiser-Karl-Schule since our first exchange in 1996. While 20 years is not a long period of time when compared to 150, it is very important to us.

We appreciate your willingness to host Blue Lake student groups in Itzehoe time and time again, with the utmost care and detailed planning. When our groups come to Itzehoe, we know Doris Brandt-Kühl and the Kaiser-Karl-Schule will create a memorable experience that will stay with our students for a lifetime. Thank you for 20 years of partnership!

We look forward to working closely together over the coming years, and are confident that our continued collaborations will have a lasting and meaningful impact on both Blue Lake Fine Arts Camp and the community of Itzehoe.

Best Regards,

Leah Brockman, International Staff Director
